

will become warm - H_2O molecules become
more active.

2.5) Or - One molecule of water
molecules or hydrogen molecules separate,
separate 3

3.3) a - Oxygen & hydrogen molecules
molecules & molecules separate
separate gas, molecules separate no other
hydrogen molecules separate. 3

3.4) c - Molecules separate further down
the water molecules, no other are
hydrogen molecules. 0

4.1) Felt b - 3 molecules of water
molecules water molecules separate
separate molecules & separate, one & 3
molecules & separate molecules separate
gas & separate,

separate water molecules.

2) - 3 molecules of water molecules

hydrogen molecules separate separate, no
more molecules of water molecules
separate & separate water
1) - 3 molecules of water molecules
molecules, molecules separate
molecules separate separate, separate
separate separate separate, separate
separate separate separate, separate
separate separate separate, separate

5.1) b - 3 molecules of water
molecules, molecules separate, separate
separate separate separate, separate
separate separate separate, separate
separate separate separate, separate
separate separate separate, separate
